Ordering the PCB

This project's PCB can be ordered directly from OSHPark using the following link:

https://oshpark.com/shared_projects/iQ1CRa4h

- Click the link above to open the project page.
- Review the board preview to confirm layout and dimensions.
- Select the quantity of boards you want (OSHPark defaults to 3 boards).
- Sign in or create a free OSHPark account.
- Proceed to checkout and pay securely online.
- Boards will be fabricated and shipped directly to you.

■■ Important: This project uses a Raspberry Pi Pico — not the Pico 2.
